## Vince's Story

*In 1997, when Vince's North Port began, it was just a converted convenience store with 3 employees, 12 tables and a limited menu. Over the past few years, reinvesting most of the profits and putting in half days (12 hours is a ½ day right?) we have grown to where we are today. Not much resembles our early days except a few staff members, my mom and dad, and our commitment to serving great food to the most wonderful people.*

*A sincere thanks to our wonderful hard-working staff and the loyal customers who have graciously accepted us in their neighborhood and into their hearts.*

*Thank you for choosing us today. Sit back, relax and enjoy some great Louisiana food and Southern hospitality.*

*-Vince Lanoue*
